About Your Instructor

Known as the guy to call when “it” hits the fan, Gerard Braud (Jared Bro) is an expert in crisis communications and media issues.

He is an international trainer, author and speaker, who has worked with organizations on five continents.

He is the author of *Don't Talk to the Media Until... 29 Secrets You Need to Know Before You Open Your Mouth to a Reporter*.

Gerard has a gift for foreseeing and predicting crises. Fifteen years before Hurricane Katrina, he predicted the catastrophic destruction that would befall his hometown of New Orleans. For 2 years prior to the Virginia Tech shootings of 2007, Gerard warned that the crisis communications plans at most universities were insufficient and would fail when they were needed most.

Gerard has been active in the field of communications since 1979. For 15 years, he worked in print, radio and television as a front line journalist. His affiliate reports have been seen around the world on NBC, CBS, CNN and the BBC.
